

LED SPOT FOR RICHIE RAIL 20 & 26

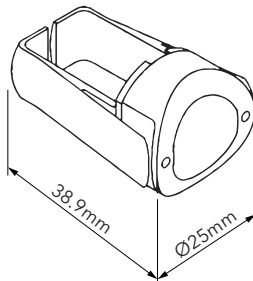

A VERSATILE, ASYMMETRIC LED SPOT
FOR RICHIE RAIL 20 AND RICHIE RAIL 26
HANDRAIL SYSTEMS

At Offspring, we love a continuous linear light source, especially in a Richie Rail illuminated handrail. But, sometimes a point source LED spot is the right tool for the job. Introducing our asymmetric LED spot light made specifically for 42.4mmØ (Richie Rail 20) and 48.3mmØ (Richie Rail 26) round tube. Available in IP20 and IP66 versions, this LED spot can be used for interior and exterior applications.

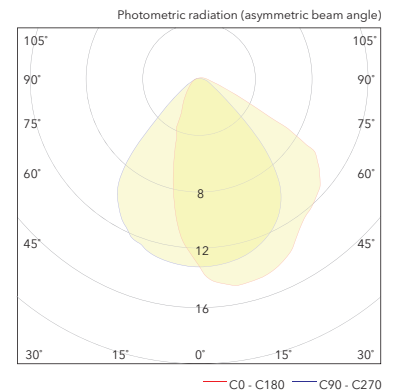

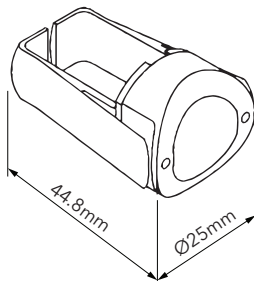

CODE	WATTS	COLOUR	LUMENS	SUITABLE FOR USE WITH	PROTECTION
SP-RR20-30-IP20	0.5W	3000K	26	Richie Rail 20 (42.4mmØ x 2.00mm tube)	IP20
SP-RR20-30-IP66					IP66
SP-RR26-30-IP20	0.5W	3000K	26	Richie Rail 26 (48.3mmØ x 2.00mm tube)	IP20
SP-RR26-30-IP66					IP66

5000K colour temperatures available on special order.

SP-RR20-30-IP20 / SP-RR20-30-IP66 - for Richie Rail 20

SP-RR26-30-IP20 / SP-RR26-30-IP66 - for Richie Rail 26
