

At only 11.5mm wide, Slim Jim 10 is a miniature profile designed for those tricky little spots - stair nosings, small cabinetry details and more. With the Spec Series Slim 9.6W IP65 LED strip, Slim Jim 10 can even be used in exterior applications.

MOUNTING OPTIONS	DIFFUSER OPTIONS	SPEC SERIES 'SLIM' LED STRIP OPTIONS		
Surface Mounted	Opal	Lumens per metre	Watts per metre	Colour temp.
Recessed		300		2700K
		320	4W	3000K
		330		4000K
		720		2700K
		785	9.6W	3000K
		810		4000K
		980		2700K
		1050	14W	3000K
		1080		4000K

NOTE: Slim Jim 10 is only suitable for use with a maximum 8mm wide PCB LED strip. The 14W IP65 Spec Series Slim LED strip is not suitable for use in Slim Jim 10.

- LED strip options vary depending on region – please consult your local distributor for more information. Other LED strip options are available on request, including IP65.
- All lumen values refer to the bare LED strip. Losses through diffuser/profile are not represented. Consult photometric data.
- 5 year manufacturer's warranty on Super Series & Spec Series LED strip.
